

Color Weave

Colors – Blue, Purple or Aqua in a Tone on Tone, Print or Batik that read as one color.

You need two fabrics - a medium to medium-light and a dark in the same color family.

Cutting Instructions

Cut (1) - 6½" x 15½" Rectangle of your lighter and your darker fabric.

1. Sew the two rectangles together on the long side with a scant ¼" seam. Press the seam open.
2. Lay the unit out as in **Fig A** with the dark fabric on top.
3. Clean trim the left edge of the unit if needed – no more than 1/8"
4. Cross-Cut the unit into strips in this order, as in **Fig A**.

3½" 1½" 2½" 2½" 1½" 3½"

5. Flip the 2nd, 4th and 6th strips as in **Fig B**.

VIP – It does matter which strips you flip so they will match the other blocks.

6. Sew the strips together with a scant ¼" seam matching the center seams.
7. Press all of the seams in the same direction. Either way is fine.

The unfinished block is 12½".
