### **Petal 2 - Tone on Tone**

(2) 7” squares

### **Background - White**

(4) 3½” squares

(4) 2½” squares

**VIP TIP** → Check the diagrams before you sew – the placement of the floral fabric does matter. 😊

1. **Petals/Half Square Triangle Units** - Draw a diagonal line on the wrong side of both Tone on Tone 7” squares. Match these to the 7” Floral squares, right sides together, and stitch a scant ¼” from both sides of the drawn line **Fig A**. Cut apart on the drawn line and press away from the Floral. Square up to 6½” and trim dog ears.

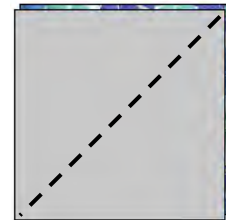

2. Draw a diagonal line on the wrong side of the White 2½” squares and on the White 3½” squares.

3. **VIP-** Position the 6½” Half Square Triangle Units exactly as shown in **Fig B** - **it does** matter which side the floral is on. Match the White 2½” squares to the bottom left corner. Stitch on the drawn line. Press to the White and trim the seam allowance to ¼”.

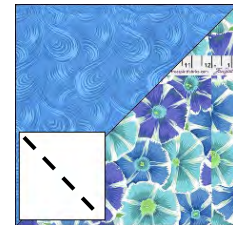

Match a 3½” square to the other corner of the large Half Square Triangle Units and sew on the drawn line **Fig C**.

4. Lay out the four sections to match **Fig D** with the small white triangles in the center and sew the rows together. Press open. Sew the rows together and press the final seam open.
